## Product Description

### Product Description:

Made from high-grade Aluminum Alloy, the door is strong and sturdy, providing excellent security and protection for your property. The door frame is designed to be lightweight but tough, making it easy to operate and long-lasting. The use of Aluminum Alloy also makes the door resistant to rust and corrosion, ensuring that it remains in top condition for years to come.

The sliding feature of this door provides added convenience and functionality. The sliding mechanism is smooth and easy to use, allowing for effortless opening and closing. This makes the door perfect for areas where space is limited, as it does not require any additional clearance for the door to open or close.

The Sliding Aluminium Door is available in a wide range of customisable colors, making it easy to match the door to your existing decor and design. This means that you can create the perfect look for your property, without having to compromise on quality or functionality.

The door is also designed to be fitted with glass panels, which can be customised to suit your specific requirements. Whether you want clear glass, frosted glass, or a specific tint or pattern, we can provide it for you. This makes the door perfect for areas where natural light is important, such as living rooms, offices, and commercial spaces.

The Sliding Aluminium Door is easy to install and comes with all the necessary hardware and fittings. Our team of experts will work with you to ensure that the door is installed correctly and securely, ensuring that it provides maximum protection for your property.

Overall, the Sliding Aluminium Door is a top-quality product that provides excellent value for money. Its durability, functionality, and customisable design make it the perfect choice for anyone looking for a high-quality door that will last for years to come.

### Features:

Product Name: Sliding Aluminum Door

Glass: Customisation

Color: Customisation

Type: Sliding

Material: Aluminium

Size: Customizable

### Technical Parameters:

Product Name	Gliding Aluminum Door
Size	Customizable
Color	Customisation
Type	Sliding
Glass	Customisation
Material	Aluminium
Door Material	Aluminum Alloy, Glass

### Applications:

Whether it is for residential or commercial use, the Sliding Aluminium Door is the ideal choice for those looking for a modern and sleek design. Its gliding mechanism makes it effortless to open and close, making it perfect for high-traffic areas such as entrances to homes, offices, and retail stores.

For residential settings, the Sliding Aluminium Door can be used as patio doors, balcony doors, and even as a divider between rooms.

The door's aluminium alloy and glass material combination not only gives a contemporary look, but it also enhances the natural light in the space.

For commercial settings, the Sliding Aluminium Door can be used as an entrance door to buildings, conference rooms, and office spaces. The door's ability to glide smoothly makes it ideal for busy areas where people are constantly going in and out.

Moreover, the Sliding Aluminium Door is certified with CE and ISO, ensuring its high-quality and durability. It can be ordered in a minimum quantity of 100m<sup>2</sup>, and its price is 580RMB per unit. The door is carefully packaged in a wooden box to ensure its safety during transportation, and delivery time ranges from 20-60 work days.

Payment terms are T/T, making it easy and convenient for customers to purchase. Its versatility and durability make the Sliding Aluminium Door from GuangdongSuperHuge the perfect choice for any occasion and scenario.
