Product Description:

One of the main features of this sliding door is that it glides smoothly and effortlessly. This makes it easy to open and close, providing a seamless transition between rooms. The use of aluminum also makes it lightweight and easy to operate, making it a great choice for people of all ages.

Another great feature of this door is that it can be customized to fit your specific needs. You can choose the size, color, and glass type to create a door that matches your style and preferences. Whether you want a clear glass or a frosted one, you can be sure that the end result will be a door that looks great and functions perfectly.

When it comes to the material used for the door, aluminum is a great choice. It is strong, durable, and resistant to rust and corrosion. This means that your door will last for years without deteriorating or losing its appeal. Additionally, aluminum is a sustainable and eco-friendly material, making it a great choice for those who want to reduce their environmental impact.

Overall, the Aluminum Sliding Door is a great choice for anyone who wants a gliding aluminum door that is both functional and stylish. With its customizable options, durable materials, and smooth operation, this door is sure to add value to any space it is installed in. So why wait? Order yours today and experience the benefits of a high-quality aluminum sliding door for yourself!

Applications:

Residential:

The Gliding Aluminum Door is perfect for creating a seamless transition between indoor and outdoor spaces. It's an excellent choice for patios, decks, and balconies.

It can be used as a room divider, creating an open and airy feel between two rooms.

The aluminum sliding door is also ideal for closets, as it takes up less floor space than traditional hinged doors.

Commercial:

This door is a popular choice for restaurants and cafes, as it allows natural light to flood in and creates an inviting atmosphere.

The Gliding Aluminum Door is also great for storefronts, creating an attractive and modern look that showcases the products inside.

It can be used in office buildings, providing a sleek and professional look while still allowing privacy between rooms.

Regardless of the application, GuangdongSuperHuge's Gliding Aluminum Door is sure to impress. It is CE and ISO certified, ensuring its quality and reliability. The minimum order quantity is 100m², and the price is 580RMB. The door is customizable in terms of size and color, ensuring a perfect fit for your specific needs. The door is made of high-quality aluminum alloy and glass, ensuring its durability and longevity. The packaging details include a wooden box, and the delivery time is between 20-60 workdays. Payment terms are T/T.
