- Model Number: MQ
- Minimum Order Quantity: 100m<sup>2</sup>
- Price: 588RMB/m<sup>2</sup>
- Packaging Details: Wooden Box/Completely sealed wooden box
- Delivery Time: 20-60work days
- Payment Terms: T/T

#### Product Specification

- Product: Aluminum Curtain Wall
- Ceiling Tile Type: Metal Ceilings
- Lead Time: 15-20days
- Weather Resistance: High
- Packing: Free Wrapped In Shrink Polythene
- Type: Curtain Wall
- Durability: Long-lasting
- Design Style: Modern
- Material: Aluminum Alloy
- Material: Aluminum Alloy
- Column: 2.5mm-5.0mm
- Column: 2.5mm-5.0mm
- Column: 2.5mm-5.0mm

## Product Description

### Product Description:

The hidden frame curtain wall design of this product is perfect for those looking for a minimalist look that maximizes the views from the inside. The sleek and seamless finish of the Aluminum curtain wall is achieved through the use of high-quality Aluminium sheet, which is expertly crafted to provide a flawless finish.

The durability of this product is unmatched, making it the perfect choice for those looking for a long-lasting solution for their building. The Aluminum Curtain Wall is able to withstand harsh weather conditions and is resistant to corrosion, ensuring that it will remain in excellent condition for years to come.

In addition to its durability and modern design, the Aluminum Curtain Wall is also incredibly easy to install. It comes packed with free shrink polythene wrapping, ensuring that it arrives at your site in perfect condition.

If you are looking for a modern, durable, and easy-to-install curtain wall solution, the Aluminum Curtain Wall is the perfect choice. Its hidden frame design, high-quality Aluminium sheet, and long-lasting durability make it an excellent investment for any building project.

### Features:

Product Name: Aluminum Curtain Wall

Material: Aluminum Alloy

Shape: Rectangle

Sound Insulation: Good

Thermal Insulation: Excellent

Product: Aluminum Curtain Wall

Features:

Aluminium sheet construction for durability

Hidden frame curtain wall design for a sleek appearance

Excellent thermal insulation to improve energy efficiency

Good sound insulation for a quieter indoor environment

### Technical Parameters:

Product	Aluminum Curtain Wall
Raw Material	Aluminum Alloy
Color	Customization
Packing	Free Wrapped In Shrink Polythene
Weather Resistance	High
Durability	Long-lasting
Ceiling Tile Type	Metal Ceilings
Design Style	Modern
Width	≤1500mm
Lead Time	15-20 days

### Applications:

The open frame curtain wall design makes it perfect for buildings with high visibility and a need for natural light. The use of aluminum alloy material ensures that the product is lightweight, yet strong and durable, making it perfect for high-rise buildings.

The MQ Aluminum Curtain Wall is also designed to withstand harsh weather conditions, making it ideal for buildings in areas with high wind loads, rain, and snow. The high weather resistance of the product ensures that it is long-lasting and can withstand the test of time. Another unique feature of this product is the broken bridge aluminum curtain wall design, which helps to improve energy efficiency by reducing heat transfer between the interior and exterior of the building. This makes it ideal for buildings that require energy-efficient solutions to reduce their carbon footprint.

With a lead time of 15-20 days, this product is perfect for construction projects with tight deadlines. It is also easy to install, making it a popular choice for contractors and builders.

The MQ Aluminum Curtain Wall is a perfect fit for a variety of occasions and scenarios, including office buildings, shopping centers, hotels, airports, and hospitals. Its sleek design and high weather resistance make it a popular choice for architects and designers looking for modern solutions to their building projects.

In summary, GuangdongSuperHuge's MQ Aluminum Curtain Wall is a high-quality product that is perfect for a variety of applications. Its open frame curtain wall design, broken bridge aluminum curtain wall, high weather resistance, and energy efficiency make it a popular choice for architects, builders, and designers. With a lead time of 15-20 days, this product is a perfect fit for construction projects with tight deadlines.

## Customization:

Customize your Aluminum Curtain Wall with GuangdongSuperHuge's product customization services for the MQ model. Our curtain wall is made with high-quality aluminium sheet that is durable and long-lasting. Made in China, our curtain wall comes with free wrapping in shrink polythene and can be customized in any color of your choice. With a width of  $\leq 1500\text{mm}$ , our curtain wall can be tailored to fit any building design.
