Basic Information

- Place of Origin: China
- Brand Name: GuangdongSuperHuge
- Certification: CE,ISO
- Model Number: MQ
- Minimum Order Quantity: 100m²
- Price: 588RMB/m²
- Packaging Details: Wooden Box/Completely sealed wooden box
- Delivery Time: 20-60work days
- Payment Terms: T/T

Product Specification

- Product: Aluminum Curtain Wall
- Design Style: Modern
- Thermal Insulation: Excellent
- Sound Insulation: Good
- Shape: Rectangle
- Weather Resistance: High
- Raw Material: Aluminum Alloy
- Color: Color Customization
- Material: Aluminum Alloy
- Column: 2.5mm-5.0mm
- Beams: 2.0mm-3.0mm
- Glass: Toughened Glass
- Type Of Glass: Customisation

Product Description

Product Description:

The Aluminium sheet used in the curtain wall is of the highest quality, ensuring that the product is both strong and resilient. Its durability makes it perfect for use in all weather conditions. The sheet is also lightweight, which makes it easy to install, and it requires minimal maintenance.

The Aluminum Curtain Wall is available in a range of colors, allowing customers to customize the look of their building. This means that the product can be tailored to suit any design style, whether it be modern or traditional.

The packing of the Aluminum Curtain Wall is also noteworthy. It comes free wrapped in shrink polythene, which ensures that the product is protected during transport. This packaging also makes it easy to handle and store on-site.

The Aluminum Curtain Wall is a type of metal ceiling that is perfect for use in commercial and residential buildings. It adds a touch of sophistication and elegance to any space. Its modern design style makes it perfect for those looking to create a contemporary look in their building.

In conclusion, the Aluminum Curtain Wall is a high-quality product that is made from Aluminium sheet. It is strong, durable, and long-lasting, making it perfect for use in all weather conditions. Its modern design style makes it perfect for those looking to add a touch of elegance to their building's exterior. It is available in a range of colors, which means that it can be customized to suit any design style. Additionally, it comes free wrapped in shrink polythene, which ensures that the product is protected during transport.

Features:

Product Name: Aluminum Curtain Wall

Material: Aluminum Alloy

Design Style: Modern

Shape: Rectangle

Lead Time: 15-20days

Product Type: Open frame curtain wall

Product: Curtain Wall

Product Category: Aluminum curtain wall

Technical Parameters:

Curtain Wall Type:	Aluminum Curtain Wall
Material:	Aluminum Alloy
Raw Material:	Aluminum Alloy
Design Style:	Modern
Shape:	Rectangle
Product:	Broken bridge aluminum curtain wall
Thermal Insulation:	Excellent
Sound Insulation:	Good
Weather Resistance:	High
Ceiling Tile Type:	Metal Ceilings

Applications:

One common application for Aluminum Curtain Wall is in commercial buildings. Its sleek and modern design makes it an attractive choice for office buildings, shopping centers, and other public spaces. The excellent thermal insulation properties of the curtain wall help to reduce energy costs and keep the building comfortable year-round.

Another common use for Aluminum Curtain Wall is in residential buildings. Its high weather resistance makes it an ideal choice for homes in areas that experience extreme weather conditions. The curtain wall also provides a level of noise reduction, making it a popular choice for homes located near busy streets or airports.

Aluminum Curtain Wall is also commonly used in industrial buildings. The metal ceiling tile type provides a durable and long-lasting solution for factories and warehouses. The high weather resistance of the curtain wall makes it an ideal choice for buildings located in areas with harsh weather conditions.

The lead time for GuangdongSuperHuge's MQ Aluminum Curtain Wall is 15-20 days, making it a convenient choice for builders who need a quick turnaround time. Its brand name and place of origin, China, ensure that customers are receiving a high-quality product that is manufactured to strict standards.

Overall, the Aluminum Curtain Wall product from GuangdongSuperHuge is a versatile and reliable solution for a wide range of application occasions and scenarios. Its high weather resistance, excellent thermal insulation, and metal ceiling tile type make it a popular choice for commercial, residential, and industrial buildings.
