Basic Information

- Place of Origin: China
- Brand Name: GuangdongSuperHuge
- Certification: CE,ISO
- Model Number: Aluminum
- Minimum Order Quantity: 100m²
- Price: 288-1088RMB/m²
- Packaging Details: Wooden Box/Completely sealed wooden box
- Delivery Time: 20-60work days
- Payment Terms: T/T

Product Specification

- Weather Resistance: Excellent
- Customization: Available
- Size: Customization
- Lightweight: Yes
- Durability: Long-lasting
- Corrosion Resistance: High
- Color: Customization
- Impact Resistance: Strong
- Name: Aluminum Alloy Grille
- Highlight: **Sturdy Aluminum Alloy Grille,**
Aluminum Alloy Grille Lightweight

Product Description

Customizable Lightweight Aluminum Alloy Grille With Exceptional Weather And Corrosion Resistance

Product Description:

With strong impact resistance, this grille can withstand any physical force or impact, providing reliable protection to your property. Its excellent weather resistance allows it to function optimally in any weather condition, making it ideal for external applications. The Aluminum Alloy Grille comes in a rectangular shape, but customization options are available to meet specific requirements. It can be used for various applications, including as an Aluminium Ceiling, Security Grid, or Aluminum Balustrade. The installation method for this grille is screw fixing, providing a secure and stable fit. Easy to install, this grille is perfect for those looking for a quick and efficient solution to their security and ventilation needs. Overall, the Aluminum Alloy Grille is a reliable and practical choice for any property owner looking for a long-lasting and effective solution to their security and ventilation needs.

Applications:

One of the most popular applications for the GuangdongSuperHuge Aluminum Alloy Grille is as an Aluminum Balustrade. The grille is perfect for this application because it provides a sturdy, secure barrier while still allowing plenty of light and air to pass through. The grille is available in a range of shapes and sizes, so it can be easily customized to fit any space. Another popular application for the GuangdongSuperHuge Aluminum Alloy Grille is as a Grille Curtain Wall. The grille is ideal for this application because it provides a stylish and modern look while still providing excellent security and protection. The grille can be customized to fit any space, and it is available in a range of colors to match any décor. Finally, the GuangdongSuperHuge Aluminum Alloy Grille is an excellent choice for use as a Security Grid. The grille is designed to provide maximum protection against intruders and other threats, while still allowing plenty of light and air to pass through. The grille is available in a range of sizes and shapes, so it can be easily customized to fit any space. In conclusion, the GuangdongSuperHuge Aluminum Alloy Grille is a versatile and high-quality product that is perfect for a wide range of applications. Whether you need an Aluminum Balustrade, Grille Curtain Wall, or Security Grid, this product is an excellent choice. With its superior corrosion resistance, durability, and strength, you can be confident that it will provide long-lasting performance and protection.
